# Router Documentation

Please email any corrections or suggestions to [support@imagestream.com](mailto:support@imagestream.com).

- Failsafe recovery instructions added - We have added instructions on how to fix configuration issues from failsafe mode.
- QOS section updated - We have updated the Quality of Service Menu to document the new policy-based QoS system.
- SNMP section added - We have added a SNMP section to the wiki, as well as a forum dedicated to SNMP
- BGP Section - We have added a BGP section to the wiki, as well as a forum for dynamic routing
